

Arrival procedures for car riders attending the three elementary schools on Arrow Drive will look a little different this year than it has in the previous years.

Parents dropping off all students for Clinton Park, Northside and Eastside will drop their students off at the back of each campus under the covered walks.

Here are the procedures for parents dropping off students at Northside and at Eastside:

- All parents dropping off students at Northside or Eastside must enter from Pinehaven Drive.
- Both Northside and Eastside traffic will enter through the Eastside entrance and approach the campus down this road.
- Parents will then turn right and follow the ring road towards the rear of the campus.
- Northside and Eastside staff will be on site to direct and assist you.
- Prior to your child exiting the vehicle, parents are asked to pull all the way to the end of the covered walk in order to allow for the maximum number of students to be dropped off.
- Once you've dropped your student off, you will follow traffic back to the front of the school and exit onto Arrow Drive.
- All cars will turn right onto Arrow Drive, making their way to Pinehaven Drive.

Any Northside or Eastside parents needing to drop off a child at Clinton Park will access Clinton Park's traffic by the service road behind the elementary campuses. Here's how it will work.

- After your Northside or Eastside student has exited your vehicle, proceed forward and indicate with your left blinker your need to enter back into the drop off line. A Northside or Eastside staff member will assist you in merging.
- When you reach the access road, indicate with your right blinker to the staff member on duty. Then turn right onto the service road leading to Clinton Park.
- Once you arrive at the end of the service road, a Clinton Park staff member will assist you with merging into Clinton Park's drop off traffic lane and your Clinton Park student will exit your vehicle under the covered walk at the rear of Clinton Park.
- Once you've dropped your student off, you will follow traffic back to Justin's Way, turning right towards Arrow Drive.
- All cars will turn left onto Arrow Drive, making their way to Cynthia Drive.
