OVERVIEW AND GENERAL INFORMATION

Clinton High School students are afforded the opportunity to attend Career and Technical Education (CTE) courses at the Clinton High School Career Complex. Participation in these courses is a privilege for our students and provides opportunities for advanced study/training in areas of interests. CTE courses are organized around labs that are designed to simulate actual workplace environments. Students use state-of-the-art equipment, participate in real-world learning opportunities and Career and Technical Student Organizations, and perform competencies that are aligned with industry standards. Within the current CTE model, students learn many of the skills required to succeed in the working world; however, the majority of CHS career and technical students go on to attend two and four year colleges to further the training.

PHILOSOPHY

The Board of Trustees and personnel of the Clinton Public Schools are committed to the maxim that "all students can learn." Over the past decade, changes in the community have resulted in an increasingly diverse enrollment. Students exhibit differences in socio-economic, cultural, and family backgrounds; learning capacities and styles; needs and interests. Therefore, we believe the district's fundamental responsibility is to provide a range of academic and extra-curricular opportunities to enable each student to develop intellectually, physically, morally, socially, and emotionally to the maximum of his/her potential. This development is best accomplished as students; educators, parents, and community--individually and collectively--recognize their significant roles in the educational process and commit themselves to fulfilling their specific obligations. The Clinton Public School District strives to provide a safe and orderly school climate, a democratic environment where the rights of all are respected, and clearly defined academic priorities supported by appropriate extra-curricular activities. Finally, the District believes that the curriculum must be continuously evaluated and modified to maintain relevancy to societal changes, to meet a wide range of special needs and abilities, and to reflect the community's quest for excellence in education.

ATTENDANCE

Attendance is vital to a student's success in these programs. When you miss a day of instruction, it is difficult to make up the work due to the hands-on nature of the classes.

1. **Each student shall be authorized six (6) excused absences each semester if the reason complies with the following:**
 - A. Personal illness; or
 - B. Serious illness in the family; or
 - C. Death in the family; or
 - D. Special permission of the principal obtained in advance
2. A parent/guardian must call the attendance office, 924-5332, before 11:00 a.m. each day of the student's absence for verification if it is to be counted as one of the six (6) excused absences. **E-mail notification is not acceptable.**
3. Unless specifically NOTED by a physician, doctor appointments will be excused only for a maximum of one-half day (2 blocks).
4. All students, **especially seniors**, are personally responsible for accounting for their absences. The attendance office will not be accountable to the student for providing this information.

Parents: Please note that "Senior Skip Day" is not an excused absence. CHS does not recognize this day.

EXCEPTIONS

Absences in excess of six (6) days per semester may be excused upon presentation of a medical statement signed by a licensed physician or at the discretion of the principal after an at-school conference with the parent/guardian; however, this will not automatically result in the excused absence. **All medical excused absences must be turned in to the office within two (2) days of the absence.**

EXTENDED ABSENCES

When a student is absent for more than five (5) consecutive days, the following guidelines must be followed:

1. If the student intends to receive an excused absence, he/she, upon returning to school, must present a statement from a licensed physician certifying specific dates missed due to the medical condition.
2. The student anticipating an extended absence due to a medical reason must notify his/her counselor prior to the absence in order that orderly academic progress may be made during the absence.
3. Failure to comply with either of the above guidelines may result in the student not being permitted to complete for credit the academic work missed during the absence.

OFFICIAL ABSENCES

Absences that are incurred due to school-related functions may be excused as **OFFICIAL** if prior permission has been obtained from the principal. If an official absence has been granted, the student must:

1. Obtain assignments before scheduled absence and
2. Submit completed assignments to appropriate teachers as directed or upon date of return.

MAKE-UP WORK EXCUSED ABSENCES

A student who needs to make up work missed because of an excused absence must contact each of his/her teachers immediately upon returning to school and set a time when the missed work can be completed. Although an absence is excused, students will receive no credit for work missed unless it is made up. The subject teacher is responsible for setting a reasonable deadline and aiding the student in bringing his/her work up to date. All work must be made up within a number of days equal to the number days the student was absent up to a maximum of five (5) school days; otherwise, an automatic zero (0) will be assigned for the work missed.

MAKE-UP WORK UNEXCUSED ABSENCES

Those students who return to school with absences designated as unexcused will take only assigned tests missed during the class period in a designated area on the first day he/she returns to school. Any student who refuses or declines to take his/her test at this time will automatically receive a zero (0). No exceptions.

CHECK-OUTS

PROCEDURE:

1. Any student needing to check out of school for any reason **must:**
 - A. Have on file a check-out card containing the signatures of the parent and the names and telephone numbers of other adults who have been authorized by

the parent/guardian to check the student out of school. An EMPLOYEE of Clinton High School/Career Complex may be listed only on his/her child/dependent's check-out card.

- B. Obtain permission from the classroom teacher to report to the office.
Students wishing to check out between classes must get permission from their next period teacher.
- C. Report directly to the attendance office.
- 2. In the front office a notification call will be made and a parent/guardian or adult designee shall report to sign the student out on the check-out card. **Proof of identification may be required to check a student out.**
- 3. The parent or adult designee shall check the appropriate reason on the check-out card. **If no reason is checked on the card, the check-out will be deemed unexcused.** Check-out cards will not be changed once the student has left campus.
- 4. An administrator will handle all emergency situations.
- 5. NO TEACHER has the authority to permit a student to leave campus.
- 6. Students will not be dismissed from school when the community is under a tornado warning. School personnel are responsible for the safety of the students who are in the hallway during a tornado warning; therefore, personnel are not available to check out students in the office.

EXCEPTIONS:

- 4. Students who participate in any off-campus program, e.g., Career Pathways students, will be allowed to leave campus at the beginning of ninth period with appropriate documentation.
- 4. Seniors who have permission to leave at the conclusion of their academic program.

TARDINESS TARDINESS TO SCHOOL:

- 1. All students who report to the school after the tardy bell rings for the beginning of first block must report to the attendance office before going to class.
- 2. WHEN A STUDENT IS GOING TO BE TARDY FOR FIRST BLOCK AT THE CAREER COMPLEX, a parent/guardian must call the office (601-924-0247) **BEFORE** the student arrives to school. An acceptable excuse must be presented to determine if the tardy is to be excused. Generally, the same guidelines are used for tardies as are applied for absences. **NOTE: For those students eligible to ride a bus, "car trouble" is not an excused tardy.**
- 3. If no phone call is received or the phone call is received after the student arrives to school, the tardy will be deemed "unexcused" and a **detention issued.**
Tardiness that exceeds six (6) times will be deemed "unexcused" and a detention issued.
- 4. An unexcused tardy requires the student to serve detention that same day or the following day.

Violations will result in the “driver” losing driving privileges and the “rider” being issued a truancy violation. The student will be subject to discipline procedures as stated in the truancy policy.
2. Students are required to be on time. Car trouble or traffic related problems are not cause for excused tardiness.
3. Students must strictly adhere to all traffic laws. Students will park only in designated areas.
4. Any stops between the campuses are strictly prohibited.
5. Students are not to drive through neighborhoods or business parking lots driving to or from the Career Complex.

CODE OF CONDUCT

CONDUCT AND DISCIPLINE

ALL CHS Career complex students will be expected to follow the Code of Conduct as outlined in the Clinton High School Student Handbook. This information can be obtained by going to the Clinton Public Schools website (www.clintonpublicschools.com) and clicking on the Clinton High School link.

DETENTION

1. Students involved in problems of a minor nature will be assigned detention. The purpose of detention is two fold: (1) to serve as a minor punishment and (2) to warn the student that an element of his/her behavior is unacceptable and must be changed or modified.
Detention will be served either on the day assigned or the next school day. Upon receiving a detention, the detention slip will be sent home to be signed by a parent and returned to the teacher.
If a student is assigned a detention and fails to initial the detention, an additional day of detention will be assigned by an administrator. Students who are assigned

detention must report to the detention room prior to the 3:55 P.M. bell. Students may be given one (1) day to make arrangements for transportation, if necessary. The time a student spends in detention must be spent studying. All students must report to detention with books and/or study materials.

2. A student who fails to report to detention when assigned will be assigned one (1) penalty day in addition to being required to make up the day missed. Should the student fail to report to detention again, the student will be assigned to in-school detention until both after school detentions are served. If a student is tardy to detention, he or she will not be admitted and will be treated as absent.
3. If it becomes apparent that detention assignment is not achieving the desired result--a change in the student's behavior--further action will be taken.
4. Only students who have classes at the Career Complex 4TH block may serve detention at the Career Complex.
5. Students must have their I.D. cards in detention. Failure to show your current school I.D. will result in the student being asked to leave and being marked as absent. Guidelines will then be followed for missing detention.
6. The only permitted activity of students in detention shall be a writing assignment. Therefore students must bring paper and pencils to detention. If a student reports to detention without any materials, an additional day will be assigned by the detention monitor.

OVER NIGHT SUSPENSION

A student is suspended from school attendance until a conference is held with an administrator and the parent/guardian. If the student returns to school without a parent, they will be placed in In-School Suspension until their parent comes for the requested conference. If a parent refuses to come to the school for the requested conference, a report to DHS will be made by the school.

IN-SCHOOL DETENTION

Students placed in in-school detention (ISD) will report to the appropriate area at the beginning of the school day (8:25 A.M.). Students must bring the appropriate materials for studying and completing of assigned tasks (books, pencils, pens, paper, and computer). Students will be given their assignments by the ISD monitor. Assignments that correspond to class work will be graded for credit.

The student will remain in ISD for the entire day (3:51 p.m.) and while in ISD is ineligible to participate in or visit any school sponsored event or campus. Failure to follow the rules of ISD will result in the student serving the remaining days of ISD at home or additional days added to ISD. Absences received from scheduled classes while placed in ISD will be considered unexcused. In all cases of ISD, a parent or guardian, student, and administrator conference will be held prior to the student's return to regular classes.

SUSPENSION

Suspension from school attendance is used in cases of misconduct or the continued failure to abide to school regulations. All suspensions will have a limit set at the time the suspension is imposed; it will be in effect until a specified date or until certain conditions have been met. During this time of suspension from school the student is ineligible to participate in or visit any school facility or function.

Students may be suspended by the principal, assistant principal or career complex director. When a student has been suspended for more than three times, the student may be placed in the alternative school or it may be recommended to the superintendent that the student be suspended for the remainder of the semester. Suspensions normally start the day after an offense has been committed unless determined by the principal that the students should be suspended immediately. In all cases of suspension, a parent or guardian, student, and administrator conference will be held at the school prior to the student's return to classes. All days missed because of suspensions are unexcused, and assigned tests missed must be made up the day the student returns to class.

THE ALTERNATIVE SCHOOL

The purpose of the Alternative School for the Clinton Public School District is to offer a program for students who have not or cannot function in regular classroom settings; who will benefit from a small group setting for a period of time; or whose behavior is such that it curtails or disrupts the learning environment for him and/or peers. The Alternative School, located at 201 Easthaven Drive, is activated after "regular" interventions for behavior modifications prove ineffective.

Guidelines

1. Assignment to the Alternative School for disciplinary reasons will follow due process outlined in the disciplinary section of the student handbook.
2. If a student is returned to school by order of any chancellor or youth court judge, the placement of the student shall be reviewed by the placement committee.
3. Any recommendation for placement in the Alternative School not covered in placement guidelines 1 or 2 will be reviewed by the placement committee.
4. Upon assignment to the Alternative School, a meeting with the principal of the Alternative School will be held.
5. If a student continues to violate regulations for which he/she has been assigned to the Alternative School, a recommendation for expulsion will result.
6. The placement committee will recommend time of attendance in the Alternative School if not stated in disciplinary policy.

I.D. CARDS

1. Each student at Clinton High School must obtain and maintain a current I.D. card. I.D. pictures will be made at the time of registration, and the cards will be issued to

the students at a later time. The initial cost of an I.D. card is included in the designated fee. The cost of replacement for a lost or destroyed I.D. card is \$2.50.

2. **A STUDENT MUST WEAR HIS/HER I.D. CARD ON A LANYARD AT ALL TIMES DURING THE SCHOOL DAY AND MUST HAVE IT IN HIS/HER POSSESSION AT ALL SCHOOL SPONSORED ACTIVITIES.**
3. I.D. cards will be required to sit in the student section of athletic contests, be issued lunch tickets of any type, eat in the cafeteria at school prices, and be admitted to other extra-curricular activities. I.D. cards do not cover the cost of admission to school-sponsored events but will often entitle the student to reduced prices.

CAMPUS SECURITY AND GENERAL CLASSROOM ORDER

1. Any student who starts a disturbance or who willingly participates in one will be suspended from school--immediately, if necessary--and will reenter only after satisfactory assurance has been given in writing to the principal by the student and/or his/her parent/guardian that there will not be a recurrence of this type of behavior. The principal is authorized to require any student who has been involved in a fight or any other type of disturbance to leave school for the remainder of the day when such action is deemed necessary to protect the safety of the student or other students. Principals shall make no such requirement before the student's parent has been notified.
2. All persons other than school employees and pupils enrolled at that specific school must first go to the principal's office to secure admission to the campus; otherwise, they will be considered to be trespassers and, as such, subject to arrest and prosecution.
3. Any student who has in his possession an object that would be classified as a weapon while on school grounds or going to or from school will be immediately suspended by the principal pursuant to Section JCDAE of the BOARD POLICY MANUAL of the Clinton School District.
4. In the event that there is knowledge of an unlawful or violent act which may have occurred on school property or during a school sponsored activity, the administration will notify law enforcement officials immediately.
5. A teaching situation which is conducive to learning must be maintained. Therefore, any student whose actions make it impossible for the teacher to devote full attention to the class will be sent to the principal's office. A counselor and/or principal will review the case and try to resolve the problem. A student who repeatedly has been sent from class will be suspended from school attendance.

CHEATING

Utilizing, receiving, or giving unauthorized help on school related assignments is not permitted and will not be condoned at Clinton High School. Students who are suspected of "cheating" by a teacher will be informed of the allegations in a private and professional manner. If determined, beyond a reasonable doubt, that the student is guilty of such allegations, a zero will be issued for that assignment. If the assignment is a major grade, term paper, nine-week tests, etc., a written discipline report with evidence of allegations

will be submitted to the principal's office for notification and a conference with the student's parents or guardians will be held.

DRUGS/ALCOHOL POSSESSION/USE BY STUDENTS

Students are prohibited from carrying, possessing in any manner, using or selling alcoholic beverages, morphine, marijuana, cocaine, opium, heroin, their derivatives or compounds, drugs commonly called LSD, "pep" pills, tranquilizers, or any other narcotic drug, barbiturate, substance ingredient or compound which when taken orally, intravenously, inhaled, in any other manner, may cause the person to be under the influence thereof or any other controlled substance regulated by law. This will include any substance which is falsely represented to be a controlled or counterfeit substance.

Likewise, no student shall act, aid, abet, assist, distribute, or conceal the possession, consumption, purchase, or distribution of any illicit drugs or alcoholic beverages by another student or students.

The provisions of this policy (School Board Policy JCDAC) shall apply to all students during the period of time that they are under and subject to the jurisdiction of the Clinton Public School District, while participating in or going to or from any school-related activity, at any place where an inter-scholastic athletic contest is taking place, during the course of any field trip, during the course of any trip sponsored by the Board, while under the supervision and direction of any teacher, principal or other authority of this school district, when such conduct does or may threaten to interfere with or disrupt the educational process or pose a threat to the safety of the student or others.

The district may require any student to submit a drug and/or alcohol test (within a five hour block of time) at the expense of the parent/guardian if there is reasonable suspicion that the student has or is using prohibited drugs and/or alcohol. When malicious behavior is observed by a school official, the student will be corrected, and depending on the existing situation, the student will be allowed to remain at the event or requested to leave. If the student is requested to leave the event, upon returning to school, he/she will receive an appropriate disciplinary action which could include suspension from school attendance, suspension from next school-sponsored event, suspension from remaining school sponsored events, or any other disciplinary action deemed appropriate by the administrator.

School district action taken for violation of this policy shall be consistent with the requirements of due process.

Students and employees in the Clinton Public School District are protected from bullying and harassing behavior, whether on or off campus, by other students or employees. Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonable perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's education performance, opportunities or benefits.

Any student, school employee or volunteer who feels he/she has been a victim of bullying or harassing behavior, or has witnessed or who reliable information that a student, school employee or volunteer has been subject to bullying or harassing behavior shall report such conduct to a teacher, principal, counselor or other school official. The discipline policies and procedures must recognize the fundamental right of every student to take "reasonable actions" as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing. Furthermore, the Clinton Public School District defines "reasonable action" as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior.

Fighting is defined as a verbal or physical exchange causing a disruption of the educational process. This includes students who attempt or engage in physical contact, students who invade another's personal space in a threatening manner, or students who intentionally behave in such a way that could reasonably cause physical injury to any person. **DRESS CODE
(School Board Policy JCDB)**

1. All students are expected to observe certain minimum standards of hygiene, sanitation, and personal appearance. The following regulations are to be observed by all students when participating in any school related function or activity with exception of athletic uniforms during competition. Any student violating any of these regulations will be subject to appropriate disciplinary action. Dress code violations may be reported by a teacher, a staff member, or an administrator.

It is virtually impossible to write a regulation which will adequately cover every detail of appropriate conduct and dress. Therefore, it is necessary for the administrator of each school to make judgments as to whether a student is properly groomed and dressed and/or is manifesting appropriate behavior as to not cause a disruption or interference with school activities. We are attempting to eliminate as much confusion as possible, so our attention can be turned to educational pursuits.

2. If an infraction of Dress Code causes a student to be out of class more than one-half of the class time, the absence will be considered unexcused. Parents are encouraged to monitor their child's adherence to the Dress Code before he/she arrives at school. When students come to school dressed appropriately, teachers, administrators, and staff members are better able to implement the school district's educational program. In turn, no parent will be inconvenienced by his/her child's violation of

the Dress Code. It is in the spirit of educating students for their future that these standards of modesty and respect are set.

Consequences for Dress Code Violation:

Student will be sent to Front Office
